The GREAT HAMBURGER BET

One bright, sunny, summer day, Wimpy was slowly walking down the street when suddenly, he smelled the most wonderful smell in the world. Following the scent like a bloodhound, Wimpy quickly traced the aroma to its source!

An hour later, Wimpy arrived at Olive Oyl's back yard where hamburgers were cooking on a barbecue pit.

Moving as quietly as a cat, Wimpy sneaked toward the fence around Olive's yard. He ducked down and inched closer and closer to the barbecue grill. Soon, he was close enough to hear the hamburgers sizzling over the open fire! Wimpy started to drool!

"For once we're alone, Olive, me gal!" stated Popeye. "We ain't gots no one ta' ruins our barbecue!"

"Yes," answered Olive. "I can hardly believe it. I was sure that Wimpy would pop up out of nowhere as soon as we lit the charcoal! He usually does when there's food around! That reminds me, how are the hamburgers doing?" asked Olive as she began to set the picnic table.

"They's almost done," answered Popeye. "I've gots the rolls right here. I'll puts da' burgers on the buns in-na' minute!"

"Forget the hamburgers for a second and come over here and help me!" said Olive.

Popeye left the grill unattended and strolled toward Olive. A second was all the time that Wimpy needed to do what he had to do.

Instantly, Wimpy leaped up and leaned over the fence. He snatched the hot hamburgers off of the grill and flipped them between buns. Before Popeye or Olive could turn around, he disappeared behind the fence.

"Shiver me timbers!" shouted Popeye in surprise when he looked back at the grill. "Yoika! Some dirty sneak hask' stolen our grub!"

"I bet I know who the burger burglar is!" stated Olive angrily as she looked at the empty grill.

Popeye and Olive raced over to the fence, leaned over it and looked down. There was Wimpy finishing off the last bite of the last burger.

"I'm goinks ta' clobber dat free loader!" yelled Popeye.

"Don't do it, Popeye," ordered Olive. "Wimpy just doesn't have any will power! He couldn't resist a hamburger on a bet!" she explained.

"I beg to differ with you, Miss Olive," replied Wimpy politely as he tipped his cap. "I have a great deal of will power!"

"Scuttlebutt!" snapped Popeye. "I'll bet you all of da' hamburgers dat you can eats, dat if I puts one, big hamburger in fronts of ya, dat you can'ts resists eating it!"

"How long would I have to go without eating it?" asked Wimpy.

"I bets dat you can't resist it, not even for ten minutes," answered Popeye.

"That, sir, is a bet!" agreed Wimpy. "I'll be here tomorrow at noon to settle this issue. Have plenty of hamburgers ready for me to eat after you lose the bet," Wimpy advised his friends as he strolled away.

"Don't worry, Popeye, you don't have a chance in the world of losing that bet!" Olive stated to her boyfriend.

"Justs in case I loses, we'd better have plenty of burgers handy," answered Popeye.

As he walked home, Wimpy strained his brain to think of a way to resist hamburgers. Popeye and Olive were right. He didn't have any will power. Unless a miracle happened, he would eat that hamburger tomorrow, lose the bet and miss out on the chance of a lifetime!

On his way home, Wimpy passed the tiny theater where Mr. Mystic, the Magic Hypnotist was appearing. Supposedly, Mr Mystic was the greatest hypnotist in the world. He could put anyone under a hypnotic spell. When a person was in his power, Mr. Mystic could make that person do anything!

Just then, Wimpy got a brainstorm. Maybe Mr. Mystic could hypnotize him into hating hamburgers. Like a madman, Wimpy dashed into the theater.

The next afternoon, Wimpy showed up at Olive's house with Mr. Mystic, the Hypnotist. Olive and Popeye were ready and waiting to begin. Wimpy sat down at the picnic table and instantly, Mr. Mystic put Wimpy in a hypnotic spell!

"You hate hamburgers!" Mr. Mystic told Wimpy. Suddenly, mysteriously, Wimpy was totally in Mr. Mystic's power.

Popeye carried the gigantic hamburger that he'd cooked over to the table. He put it down in front of Wimpy.

Wimpy's nose twitched when he smelled the aroma of the big burger. Quickly, Wimpy's eyelids snapped open and he snapped out of the spell. As swiftly as lightning, Wimpy snatched the burger off of the table and gobbled it up.

Not even hypnotism could make Wimpy resist hamburgers.

"Yuk! Yuk! Yuk!" laughed Popeye. "I wins! I knew I would, but don't nobody leave. We gets lots of burgers and we mights as well have a big picnic!"

Wimpy, Mr. Mystic, Olive and Popeye spent the rest of the day stuffing themselves with hamburgers!

The sport a boy grows up with... shooting a Daisy®

"In hockey, 'pulling the trigger' is that split second when a player rifles the puck quickly and accurately into the net. Like shooting a Daisy B·B gun, it requires practice and concentration.

Practice helps you gain confidence and develop your skills. And when you hit the bullseye, it gives you a great deal of personal satisfaction. I know, because I've been scoring bullseyes with hockey pucks and Daisy B·B guns for 25 years.

Now my sons Bobby, Blake, Brett and I shoot together. They're learning what a great friend a gun can be, and developing a sense of responsibility that will be useful in all walks of life."
